**Time-Of-Use Customers:** In 2018, Daylight Saving Time begins on 3/11/2018. To adjust for this, from 3/11/2018 through 4/1/2018 your time-of-use periods will begin and end one hour later.

MCE is a not-for-profit, public agency that sources 50-100% renewable energy for your power needs, called electric generation.

PG&E continues to provide and bill for electric delivery services. MCE replaces PG&E's charge for electric generation. This is reflected in the 'Generation Credit' line item shown on the 'Details of PG&E Electric Delivery Charges' page of your bill.

Gas services are not provided by MCE.

If you have any questions about MCE, please call us at **1 (888) 632-3674**, email us at [info@mceCleanEnergy.org](mailto:info@mceCleanEnergy.org), or visit us online at [www.mceCleanEnergy.org](http://www.mceCleanEnergy.org). We're happy to help!
